OBJECTIVE

Sahaj Path Knowledge Foundation (SPKF), a Public Charitable Trust, was founded on May 8, 2016, under the leadership of **Prof. Samir Kumar Brahmachari** with the vision of bridging the gap in education for underprivileged children and fostering a connection between them and experienced passionate teachers through cloud based IVRS system. Its primary objective is to identify future talents, curious and underprivileged students and provide them free educational support including scholarships. The focus area is in the small town and rural segments where there is limited access to teacher facetime and modern learning enablers.

SCHOLARSHIPS

Sahaj Path identified several bright and curious students on the basis of their enthusiastic participation in the Teacher-on-Call program as well as their brilliant academic performances and awarded some of them with scholarships to enhance their aspirations.

Sahaj Path provides three types of scholarships as mentioned below:

Sahaj Path – Ajay Kumar Brahmachari Scholarship is for students within classes 5 to 8 with a special interest in Mathematics.

Sahaj Path – Asit Kumar Ganguly Scholarship is for students within classes 9 to 12 & with 90% plus academic marks.

Sahaj Path – Amrita Santi Brahmachari Scholarship for Career Development is for highly talented students from economically underprivileged backgrounds who are pursuing higher studies including B.Tech., Computer Science, etc.

TEACHER-ON-CALL

The Teacher-on-Call program provides free educational support to the Bengali medium students of class 5 to 12 through Tollfree telephonic medium where no internet or any smart phone is needed for the caller. The registered students will be directly connected with experienced teachers from Sahaj Path to get prompt and effective solutions to their queries.

The program is supported by more than a hundred experienced passionate dedicated voluntary Teachers through cloud based IVRS Telephony solution who are from different backgrounds such as School Teachers, Professors, Retired Scientists, Retired Professionals and Educated Homemakers with teaching proficiency.
